We Need Your Help

This year, to make the event brighter and to bring more joy, we are reaching out to the businesses, clubs, church groups, sororities, fraternities, and volunteers who shape our community to help make Lights at the Lake the best holiday light show in the area.

PLEASE JOIN IN ON THE FUN! Your group will be assigned a campsite to decorate any way you'd like. The sky is the limit. Bring festive lights, business logos, Greek letters, and anything else that will make your campsite stand out from the rest. When planning out your decorations, please keep in mind that this is a celebration of the holidays and a family friendly event. Sites can be decorated from November 1st until the afternoon of December 5th. Judging will begin at the kick-off of Lights at the Lake. Prizes will be given out to the TOP THREE light displays.

If your group is unable to decorate a site, you have the option of providing a monetary donation. These donations will go towards growing Lights at the Lake for years to come. Please note that these donations go to the Friends of Bear Creek Lake State Park. Make checks payable to the Friends of Bear Creek Lake State Park. Mail any donations to ATTN:FOBCLSP 22 Bear Creek Lake Rd., Cumberland, VA 23040 or bring them to the park office.

PLEASE REGISTER FOR YOUR SITE ON OR BEFORE OCTOBER 31ST.

Site decorating can be done during daylight hours, seven days a week.

Thank you in advance for your support.

To register for your site, please contact Ruth Baker by phone at (804) 513-7565 or by email at therbakers@hotmail.com.

The Friends of Bear Creek Lake State Park are a 501(c)(3) organization.
